

GET THE **Job Done.**

The MFX-3510 sets a new standard for MFP performance, value and productivity. This dynamic document workstation not only handles typically office print, copy, scan and fax jobs with ease, but also delivers advanced scanning and faxing features you'd typically associate with more expensive devices.

The MFX-3510 comes equipped with standard:

- › 35 page-per-minute printing
- › 80-sheet automatic document feeder
- › 8.5" x 14" platen glass
- › Network printing
- › Color scan to e-mail, PC, USB & FTP
- › High-speed faxing
- › 500-sheet paper cassette
- › 100-sheet bypass tray
- › PCL 5e / 6 printing support
- › Duplex printing
- › User-friendly control panel
- › *EasyChange*SM imaging supplies

(Shown with optional cassette & 2-bin output tray)

FEATURES AND BENEFITS

Exceptional Document Output

- › The high-definition LED print engine produces exceptional output at up to 35 pages-per-minute
- › Reduce paper consumption and day-to-day operational costs by utilizing duplex print and copy capabilities
- › Standard 10/100 BaseT Ethernet connection and high-speed USB port
- › Standard PCL 5e/6 support enables seamless printing from office application and network environments
- › Flexible OS support: 32-/64-bit – Windows® 7, Vista®, XP, Server 2008 and Server 2003; 64-bit – Server 2008 R2; Win 2000

Seamless document capture

- › MFX-3510 includes an 80-sheet automatic document feeder & legal-size platen glass that enables copying, scanning or faxing of large jobs without having to separate them into multiple sets
- › Scan monochrome documents at up to 25 images-per-minute and color documents at up to 8 images-per-minute

Flexible paper configuration

- › Standard 500-sheet front-loading paper cassette
- › 100-sheet multipurpose bypass tray is the perfect solution for printing on letterhead, labels, waterproof graphics and speciality media
- › Additional 500-sheet paper cassette can be added for increased handling and performance (1,100-sheet maximum capacity)
- › Optional 2-bin output tray enables you to physically separate copy, print and fax jobs

Intuitive operation

- › Simple control panel layout allows for easy access to commonly used functions. The MFX-3510 also includes one-touch keys to simplify sending a fax or sending to an e-mail address or PC folder.

- › Compact footprint enables the MFX-3510 to be installed within small offices or workgroups
- › *EasyChange*SM consumables can be easily accessed and changed without any hassle or clean-up

Document & device security

- › Device authentication requires a password to be entered prior to gaining machine access
- › Documents are not stored in machine memory. The MFX-3510 does not have an internal hard drive and documents are not stored long-term in the compact flash memory.
- › Supports secure printing which requires a password to be entered at the control panel before a print job is released

Dynamic document delivery

- › High-resolution color scanner captures photo quality color images and crisp monochrome text
- › Quickly digitize documents for delivery to e-mail addresses, FTP sites, USB flash drives and PC folders
- › Capture documents as PDF, TIFF or JPEG images
- › Create searchable documents using the optional ScanDocs Professional Edition software
- › Register up to 1,000 e-mail addresses to enable instant access to scanning destinations
- › Supports LDAP

High-speed fax operation

- › Store up to 1,000 fax numbers in the address book for instant recall
- › Fax numbers can be accessed from the control panel enabling instant sending
- › Quickly broadcast documents to up to 1,030 recipients using the broadcasting feature
- › Easily route inbound fax documents to an e-mail address

SPECIFICATIONS – MFX-3510

GENERAL	
Recording Method	LED
Monochrome Print Speed	35 pages-per-minute
User Interface	LCD
Automatic Document Feeder	80 sheets
ADF Scan Position	Face up
Standard Paper Capacity	600 (includes 100-sheet bypass)
Max. Paper Capacity	1,100 sheets
Cassette Paper Weight	20 – 24 lb. bond
Bypass Paper Weight	20 – 28 lb. index
Duplex Printing	Standard
Duplex Scanning	Manual
Output Tray Capacity	250 Sheets
Dimensions (H x W x D)	18.9" x 21.4" x 20.19"
Weight	48.5 lbs.
Toner Yield (Black)	20,000 impressions*
Drum Yield	60,000
Power Consumption (Operating Mode)	920w
Power Consumption (Power Save)	1.5w
Ethernet Connection	Standard 10/100 BaseT, RJ-45 Connection
LDAP Support	Standard
Supported LDAP Servers	Windows 2000 & 2003 Active Directory
Local Connection	Standard USB 2.0
Memory	512 MB (Std) / 512 MB (Max)
COPY	
Platen Glass	8.5" x 14"
First-Copy-Out-Time	5 seconds
Image Combination	2:1, 4:1
Zoom Ratio	25 – 400% (1% increments)
Number of Copies	1-99

SCAN	
Resolution	600 x 300 dpi
Scan to E-mail	Standard
E-mail Subject Templates	Up to (10) e-mail subjects can be preregistered
Job Build (Scanning)	Yes
Scan to PC Folder	Standard
Scan to FTP	Standard
Scan to USB	Standard
E-mail Address Book	1,000 locations
Scan File Formats	PDF, TIFF, JPEG
Color Scan Speed	7.5 seconds-per-page (300 dpi)
Monochrome Scan Speed	2.4 seconds-per-page (300 dpi)
TWAIN Compliant	Standard
PRINT	
Resolution	Up to 600 x 300 dpi
Secure Print	Standard
Page Description Language	Standard PCL 5e / 6
Client OS Support	32-/64-bit – Windows® 7, Vista®, XP, Server 2008 and Server 2003; 64-bit – Server 2008 R2; Win 2000
FAX	
Modem Speed	33.6 Kbps
Compression	MH, MR, MMR, JBIG
Fax Memory	10 MB
Fax Address Book	1,000 locations
Broadcasting	1,030 locations
Group Dialing	100 locations
Fax Forwarding	Standard
Battery Back-Up	Standard
Confirmation Report	Yes
